

Sketching My Way through the Text

Name _____

Chapter and Section: **10-4** (pages 316-319)

Quote: About 900,000 white settlers moved west of the Appalachians between 1790 and 1810. They hunted the animals Indian tribes needed for food.

Quote: The Prophet and Tecumseh believed that by returning to the old ways, Indians could gain the power to resist white invaders.

Quote: Tecumseh worked to organize Indian nations into a confederation. He called for unity against settlers.

Quote: William Henry Harrison's forces defeated the Prophet's forces and destroyed Prophetstown. Still, Tecumseh and his warriors resisted white settlement.

Quote: Members of Congress from the South and the West who called for war against Britain became known as War Hawks.
