

Sketching My Way through the Text

Name _____

Chapter and Section: **6-4** (pages 186-189)

Quote: Women planted and harvested crops, and also made blankets and uniforms. Some even fought or made cannons and guns for the army.

Quote: As women participated in the war, they began to think about their rights to liberty and equality. In later years they would campaign for equal treatment.

Quote: Washington changed his policy during the war and asked Congress to allow free African Americans to enlist in the army.

Quote: Black Patriots fought for the U.S. in the hopes that the Revolution would lead to the end of slavery. Some northern states did outlaw slavery during the war.

Quote: In 1778, Iroquois forces raided settlements in New York and Pennsylvania. The next year, Patriots destroyed dozens of Iroquois villages.

Now write a two sentence summary of this section.
