

RE: Driver Education for the Fall

Dear Parents/Guardians and Students:

Please email me at [scarney@arlee.k12.mt.us](mailto:scarney@arlee.k12.mt.us) if your student wants to take Driver Education this fall or contact your building secretary. I will need the following information: Full name, Birthdate, address, phone numbers and email address. Please be aware that the deadline to pay the fees and register is July 1. Should July 1 fall on a weekend the first business day will be the deadline. Your student must be 15 by February 1 of the next year.

There is a very lengthy list of students eligible to take Drivers Education. In order to get a more accurate count, the fee of \$200.00 for the class is due in the District Office by Monday, July 1, 2013. **Failure to pay the fee by this date will lead to your child forfeiting the opportunity to take the class this coming fall.** Please do not leave Social Security Cards, Birth Certificates or enclosed documents at the District office

In order to establish a priority for students taking the class, the criterion will be that the oldest students with completed registration will be given preference. Notification will be sent to those who have been accepted by July 15<sup>th</sup>.

Please be **gathering the legal documents** now instead of waiting until the meeting. They need an original birth certificate issued by the State of birth, not the hospital or photo copies, a Social Security Card – no copies, original only and a piece of mail with you PHYSICAL address on it. If you are not the parent, documentation of legal guardianship is also needed.

Also, remember if your student misses **more** than one class, or **just one** drive they will be unsuccessful in completing the class and not pass this course. This includes the **Required Parent and Student meeting (date to be determined in mid to late August. Please watch for further postings on the school website.**
