Craft Project

In this type of project, you will create an object that relates to what we have studied in the most current chapter or unit. There are a number of ways to do this:

- Carve an object out of wood or soap.
- Create a diorama.
- Construct something out of popsicle sticks, legos, or some other safe construction material.
- Create a clay statue and paint it.
- Create an authentic type of clothing by sewing.

Check the following requirements below as you finish them. **Your project will not be accepted without turning in this page.**
