

Name: _____

Food Project

Use the computer to research food that is related to the chapter. (If we are studying France, you could search, 'traditional French desserts.')

Find a recipe and make it at home, but keep price in mind - you do have to feed the entire class.

Check the following requirements below as you finish them. **Your project will not be accepted without turning in this page.**

Check ↓	Requirements	Points	Leave this column blank for Mr. Sproull
	I have found an authentic recipe related to our chapter. I made it myself with limited help from my family or friends. I followed the recipe closely.	8 points	
	I brought all the necessary cups/bowls/plates/utensils, etc. needed to serve my food.	2 points	
	I spent all of my class time productively researching a recipe or working on the food report – I didn't waste my time.	5 points	
	I have completed a well-written <u>2 ½ paragraph</u> report on this food in my own words that includes...		
	At least one paragraph (4 sentences) on the history of the food.	2 points	
	At least one paragraph on how this food relates to the chapter we have studied in class.	2 points	
	A sentence or two describing where I found this recipe (include website.)	1 points
