## Map/Chart/Table/Diagram Project

Create a map, chart or table related to the chapter we are studying.

You can copy one from the text, find one on the computer, or create one yourself.

Check the following requirements below as you finish them. **Your project will not be accepted without turning in this page.**

Check ↓	Requirements	Points	Leave this column blank for Mr. Sproull
	The project I've made looks good and reflects the hard work and time I've spent working on it. <b>I did not waste my time.</b>	8 points	
	I <b>colored</b> my project and did not trace.	2 points	
	I have completed a well-written <b>two paragraph</b> report on this picture <b>in my own words</b> that includes...		
	At least one paragraph (4 sentences) on the <b>history</b> of the project.	5 points	
	At least one paragraph on how this project <b>relates to the chapter we have studied</b> in class.	5 points
